

Sponsorship Opportunities

Candidate sponsorship opportunities are often available within your personal circle. A business sponsor could be listed as your primary sponsor. A business sponsor would be featured in the coronation brochure and listed through media promotion. Businesses that your family supports throughout the community are often potential sponsor opportunities. Sponsors are not required to be Eagan based businesses, consider areas of work and play.

Family members (parents, grandparents, aunts, uncles), Godparents, friends or neighbors are also allowed to host you through sponsorship. These persons who each have your best interests at heart may combine their efforts to jointly support you in sponsorship. These joint sponsors could be listed as your primary sponsor. Joint sponsors would be listed as “*Family*” or “*Family & Friends*” rather than individual names on sponsorship materials.

Primary sponsor names would accompany you if you were selected as an Ambassador. Ambassadors wear their sponsor name on their sash throughout their year of service.
